

Dismantling Break Housing Anxiety

A heartfelt project by Student Trustee
Kushal Bhandari

As the Student Trustee at Springfield College, I am launching a project that tackles a deeply personal issue: the overwhelming stress, loneliness, and uncertainty faced by students who cannot go home during academic breaks due to financial, logistical, or safety concerns. The objective of my project is to provide students with a sense of security, belonging, and relief during some of their most vulnerable times by addressing break housing challenges. Scan the QR code to learn more.

How do we work to solve this challenge? Here is the plan.

Giving Day-March 6, 2025

We invite students, faculty, staff, alumni, and supporters to contribute to the **Student Emergency Fund**, a student-led initiative supporting peers in need. These funds are designed to assist the students so that they have the support they need to continue their education, including financial hardships during academic breaks.

For more information, reach out to Kushal Bhandari at kbhandari@springfieldcollege.edu

For the Culture Gala-April 11, 2025

We invite you to a celebration of Springfield College's diverse talent and culture. More than just an event, this gala will serve as a fundraiser for the same cause—providing vital assistance to students experiencing unexpected financial hardships.
